Ons is aan die gang by die Franchise Kantoor, met heelwat nuwe verwickelinge en vooruitsigte. Die twee nuwe gesigte wat nou voltyds betrokke is by die Lumber City Franchise se ontwikkelings-objektief, is Willie van Zyl wie se area Gauteng, Mapumalanga, Noordwes, Limpopo en die Vrystaat dek.

Clive Sanders will be responsible for the expansion of Lumber City in KwaZulu Natal.

These two guys are young, with lots of energy, highly motivated, have a good knowledge of our type of business and will be of great value to the Lumber City expansion objectives.
